

TA-07 — Choose your agent

Academy · free worksheet · Track: terminal-agents · Pair with module TA-07

1. What I actually installed

Agent	Command	First run OK?	Account / key?
Claude Code	claude		
Codex CLI	codex		
Grok Build	grok		
Hermes	hermes		
Other:			

2. Decision line (sticky-note size)

Daily driver: _____

Why (one sentence): _____

Backup (or none): _____

Uninstall: _____

3. This week

One real task with the daily driver only: _____

- ☐ Extras removed or scheduled for removal
- ☐ I am not buying another subscription just to “compare vibes”

4. Stop conditions

- ☐ Nothing worked — I saved the error text instead of buying a course
- ☐ Tools work but I have no coding task — stopping installs
- ☐ Shop workflow problem — switching to the operator Academy track
